CAMP DESCRIPTIONS Alphabetical Order

Weeks 1-8 / May 31st-July 22nd

ACT Prep

Director: Bobby Nix (victoryacademics@yahoo.com)

For many students, the ACT can be intimidating, and this training will focus on erasing fear and replacing it with confidence. This is accomplished by creating familiarity with the format of each of the test sections, breaking down the percentages to achieve target scores, and instilling techniques and strategies for success. Students will then have an opportunity to apply this knowledge by taking practice tests comprised of questions from previous ACT exams

Art (Discovering Great Artists and Storybook Art)

Director: Frances Pierce (fpierce@regentsoxford.com)

Discovering Great Artists: Students will be introduced to famous artists and they will create their own masterpiece. We will create Picasso faces, Van Gogh's sunflowers, O'Keefe's watercolor, Matisse's goldfish with oil pastels and Kandinsky rock art. We will have a brief introduction of each artist before creating their work of art. This camp is available for grades 4K-1st.

Storybook Art: Students will connect familiar picture books to art projects using oil pastels, paint, watercolor, paper, etc. We will read picture books by Eric Carle, Leo Lionni, Dr. Seuss, Kevin Henkes and several others and then create a piece of artwork. This camp is available for grades 4K-1st.

Players will be rotated through batting, fielding, pitching, baserunning and body care (warm-up, stretching, and arm care)

Note: Participants will need glove and bat
