

Regents School of Oxford

2019-20 9th-12th Grades Supply List

Please label all supplies with student's name

It is our desire that all of our students, but especially our high school students are culturally being prepared for the responsibilities of adult-hood following high school. In light of this, we expect our high school students to plan for and prepare for each of their classes. In addition to the general requirements for class (writing utensils, notebooks, paper, etc) below are the only special supplies required:

Math & Science

TI-30X IIS Calculator (all students need to have the same calculator)

Spanish/Latin

1" binder

Notebook

Combination lock for locker
